## Your Trusted Partner in Marine Solutions

At A.Albert GmbH Comprehensive Maritime & Offshore Support, we are dedicated to providing fully integrated services that cater to the diverse needs of the global maritime and offshore sectors. Our comprehensive offerings span technical purchasing, precise supply chain management, and extensive warehousing capabilities, ensuring that our clients have access to a wide range of essential products and solutions.

# Fully Integrated Services

## Technical Purchasing Expertise

Our team of industry experts leverages their extensive knowledge to source and procure the highest-quality technical parts and solutions, ensuring that our clients have access to the tools and equipment they need to maintain efficient, safe, and reliable operations.

## Precise Supply Chain Management

We pride ourselves on our ability to manage every aspect of the supply chain, from procurement to delivery, to ensure that our clients receive the products they need, when they need them, without any disruptions or delays.

## Extensive Warehousing Capabilities

Our state-of-the-art warehousing facilities are strategically located to provide our clients with the flexibility and accessibility they require, allowing us to respond quickly to their evolving needs and deliver the resources they need, right when they need them.

# Main & Auxiliary Engines

We offer a wide range of original spare parts for leading engine brands, including:

Caterpillar-MaK

Bergen

SKL

MAN Diesel & Turbo

Wärtsilä

... and more, ensuring reliable performance for your marine operations.

# Compressors & Turbochargers

## Air Compressors

Alup | Atlas Copco | Bauer  
| Cegielski | Colditz |  
Hamworthy | Hatlapa |  
Ingersoll-Rand | Sauer &  
Sohn | Sperre | Zwickauer

## Refrigeration Compressors

Bitzer | Bock | Carlyle |  
Carrier | Copeland |  
Danfoss | Grasso |  
Johnson | Melitopol |  
Noske Kaeser | Sabroe |  
York

## TURBO-CHARGERS

KBB | PHS | ABB | MAN |  
PENZA

# Pumps, Separators, Boilers & Burners

Our comprehensive product range includes high-performance European and Asian pumps, featuring renowned brands such as **Grundfos**, **KSB**, and **Wilo**. We also offer advanced separators from industry leaders like **Alfa Laval**, along with reliable boilers and burners from top manufacturers, including **Aalborg**, **Honeywell**, and **Weishaupt**. This ensures efficient and dependable operation across all your marine applications.

# Technical Marine Equipment

Explore our extensive range of high-performance marine components, including controllable pitch propeller plants, steering gears, and winches from leading brands like **Bosch Rexroth / Hägglunds and Ulstein / Tenfjord** . Engineered for exceptional reliability and efficiency, our products are designed to meet the demands of modern marine applications. Trust us to provide the quality and performance you need for seamless operations at sea.

# Electronics and Control Systems

Stay in command with our comprehensive suite of electronic solutions designed to enhance operational efficiency and safety. Our offerings include advanced intercom systems, radio amplifying stations, echo sounders, and engine control fire alarm central stations. Additionally, we provide automatic power generating plants, control and switch gear for air and liquid, data recording systems, and sensors, empowering your vessels with the latest technologies for superior performance at sea.

# Fishing Vessel Equipment

We supply new equipment and spare parts for fishing vessels, including fish processing machinery and refrigeration plants, ensuring your fleet operates at peak efficiency.
